

# Australia Day - Animal Scavenger Hunt

## Australian Animal Facts

I have a bill like a Duck.  
I have a tail like a Beaver.  
I lay eggs.  
I am a good swimmer.  
I can be dangerous.

I usually live in estuary areas  
of Northern Australia.  
I can live to over 70 years.  
I can grow up to 7 metres.  
I can weigh up to 2,000 kg.

I am the largest marsupial.  
I have a very powerful tail.  
I can travel at over 45 kph.  
I live in a group called a  
troop or herd.

I live in a burrow.  
I have very powerful claws .  
I eat bark, roots and grass.  
I usually sleep during the day.

I am a good hunter and mainly  
hunt a night.  
I live in a pack.  
I came to Australia about  
4000 years ago.  
I howl.

I live in deserts.  
I am endangered.  
I have a pink pointy nose.  
I am about the size of a cat.

150 rainforest plants rely on  
me to spread seeds.  
I can grow to 180cm tall.  
There are less than 1,500 of  
me in the wild.  
I live up to 60 years.

I am nocturnal.  
In the wild, I'm only found in  
one Australian State.  
One of my favourite foods  
is Wombats.

I live in Eucalyptus trees.  
I sleep up to 20 hours a day.  
I weigh between 5 and 10 kg.  
I live along the eastern coast  
of Australia.
